I Treasure hunting with tablets or phones

Treasure hunt with phones is a program like room escape program, transferred from a room to the territory of a city. This game has been digitally enhanced so that you will solve all tasks on tablets or your mobile phones. Various puzzles, logical and mathematical tasks are waiting for you, but there will also be filming and photo shooting.

Duration: 60-120 min

Number of participants: minimum 12, no maximum

Benefits : team work, socializing, development of leader skills

Location: Vršac

Price: Package for up to 18 participants 450 euros. Additional participant 25 eur.

Included: program organization, necessary equipment, instructors.

Not included: transport of the participants and instructors.

II Paintball

Paintball is the game in which participants dressed in special overalls (with protective mask on their faces), using paintballs propelled from a paintball gun, simulate time-limited fiery clashes.

Two teams fight against each other, a game which combines sports and fun, and unsurpassed adrenalin experience and intense stress relief.

Duration: 1-3 hours, depending on the number of participants and requirement.

Number of participants: Minimum 10, maximum is defined by the field where the game is played (mostly up to 40 simultaneously)

Benefits: Adrenalin, teambuilding spirit, strategy, communication

Location: Vršac

Price: 25 eur/player (including 300 paintballs per player and any other additional equipment)

Included: Program organization, all necessary equipment and instructor fees.

Not included: Transport of participants and instructors.

III Roman rickshaw race

Jump into a time machine to the ancient Rome and back! Be creative, resourceful, and efficient and learn how to make a rickshaw just like those in ancient Rome. Soon you will find yourself in one of the great Roman Colosseum, where great fun awaits!

Participants are divided into teams, which have the task to make rickshaws. They all get instructions and necessary materials. It is important to paint the rickshaws with colours and have different designs, which will represent the teams. After that, all teams present their work and ride their rickshaws. Third part of the program is the race. Colourful environment, many people and adrenaline rush during the race will lead to euphoria and great fun.

Duration: 2-2,5 hours

Number of participants: Unlimited.

Benefits: great fun, development of team spirit by cheering up colleagues, relax, development of communication skills

Location: Vršac

Price: 275 eur per team. Number of participants per team 4-8

Included: Program organization, necessary equipment, instructors.

Not included: Transport of the participants and instructors.

IV Filmmaking workshop

The participants divided into groups are given a specific product and have to create own commercial for this products. Participants will receive instructions on how to use the equipment and how to create commercials.

Roles are allocated within each group – a cameraman, director, actor, screenwriter. When choosing the location of the participants have complete freedom. The recorded material can be mounted immediately after the shooting and during the evening broadcast. The jury of experts evaluates films and proclaims the best team, director, writer, actors...

Duration: 3 hours (introduction and filming- during the day). Introduction and winner announcement in the evening (20 min)

Number of participants: Min 12, no max. Recommended 10 participants per team.

Benefits: Great fun, team work, planning, getting to know each other in another role.

Price: 990 euro/6 groups(max 10 participants per group). Additional group 150 euro. 760 eur package for four groups (max 40 participants)

Included: Program organization, all necessary equipment and instructor.

V Team games and games with adrenaline rush

The polygon of team and adrenaline games is a program where participants will be able to clearly see how important team cooperation, communication and how important each team member is a link in the chain represented by the company.

Duration: around 1,5 h.
