  - *Filmmaking workshop*
- *Animation games-games without borders*
  - *Escape room and escape flat*
- *Basketball tournament on the Villa hotel's court*

*These activities take place in Vršac, in organization of expert trainers.*

## *I Treasure hunting*

*Participants will face here various challenges that request team work, good communication and cooperation in order to overcome the obstacles and find clues, which will lead them to the finish line. Team doesn't compete against each other but represent parts of a puzzle that leads to the treasure.*

***Duration:*** 60-150 min

***Number of participants:*** minimum 12, no maximum.

***Benefits :*** team work, development of leader skills.

***Location:*** Vršac

***Price:*** 528 eur for 24 participants. Additional participant 22eur.

***Included:*** program organization, necessary equipment, instructors.

***Not included:*** transport of the participants and instructors.

## *II Paintball*

***Paintball** is the game in which participants dressed in special overalls (with protective mask on their faces), using paintballs propelled from a paintball gun, simulate time-limited fiery clashes.*

*Two teams fight against each other, a game which combines sports and fun, and unsurpassed adrenalin experience and intense stress relief.*

***Duration:** 1-3 hours, depending on the number of participants and requirement.*

***Number of participants:** Minimum 10, maximum is defined by the field where the game is played (mostly up to 40 simultaneously)*

***Benefits:** Adrenalin, teambuilding spirit, strategy, communication*

***Location:** Vršac*

***Price:** 25 eur/player (including 300 paintballs per player and any other additional equipment)*

***Included:** Program organization, all necessary equipment and instructor fees.*

***Not included:** Transport of participants and instructors.*

### *III Orienteering*

*Orienteering is a sport which participants (using a map and compass) should find, as quick as possible, a number of control points in the order as drawn on the map, which they should visit in the given sequence. Each control point contains markings with a flag and an electronic control station set or a perforator. The whole activity is designed as a race.*

*At any time, participants must know where they are and on the basis of introductory instructions and their experience in reading maps, they need to decide how to proceed, and how to cover all control points.*

***Duration:*** 1-3 hours, depending on the number of participants and requirements.

***Number of participants:*** Unlimited.

***Benefits:*** Orientation, resourcefulness, time spent in nature.

***Location:*** Vršac

***Price:*** 450 eur for 4 teams.. Recommended number of participants- up to 10. The smaller the groups, the bigger the fun.

***Included:*** Program organization, necessary equipment, instructors.

***Not included:*** Transport of the participants and instructors.

## *IV Filmmaking workshop*

*The participants divided into groups are given a specific product and have to create own commercial for this products. Participants will receive instructions on how to use the equipment and how to create commercials.*

*Roles are allocated within each group – a cameraman, director, actor, screenwriter. When choosing the location of the participants have complete freedom. The recorded material can be mounted immediately after the shooting and during the evening broadcast. The jury of experts evaluates films and proclaims the best team, director, writer, actors...*

***Duration:*** 3 hours (introduction and filming- during the day). Introduction and winner announcement in the evening (20 min)

***Number of participants:*** Min 12, no max. Recommended 10 participants per team.

***Benefits:*** Great fun, team work, planning, getting to know each other in another role.

***Price:*** 990 euro/6 groups(max 10 participants per group). Additional group 150 euro. 760 eur package for four groups (max 40 participants)

***Included:*** Program organization, all necessary equipment and instructor.

***Not included:*** Transport of participants and instructors for events organized outside of city limits+rental of an indoor space where the event is held.

## *V Animation games-games without borders*

*One or several groups of activities can be organized, accompanied by 1-2 animators per group. They coordinate, supervise and measure elapsed time to determine the contest outcome. The teams play one game after another, the animators measure elapsed time for ranking and scoring results at the end of all games.*

*Suggested games: Ski race, river crossing, five circles around the stick, coordination of sticks, spider's web, ballon train, carrying somebody between two rubber bands, moving the ball, moving the water, sack race, the spoon and the egg, transport of toxic waste, turn the carpet down, box race, race with a stick between the legs, quoits.*

*Duration: 1-2 h.*

*Number of participants: No restrictions, but not less than 5. Groups are multiplied, if necessary. One group includes 4-10 games depending upon the event.*

*Benefits: Promotion of the team spirit. Socialiying, sports day, fun, contest.*

*Location: Vršac*

*Price: up to 20 participants 250 euro, every additional participant 9 euro.*

*Included: All necessary equipment and instructors.*

*Not included: Transport of participants. Lease of indoor space, if necessary.*
